Consultancy Service for the Development of a Monitoring Instrument for Ghana's COVID-19 Coordinated Education Response Plan

1.0 Background

Africa Education Watch in partnership with OXFAM is monitoring the implementation of Government's COVID-19 Coordinated Education Response Plan, as part of its strategies to demand efficiency, equity and improved accountability in COVID-19 education resilience spending. To initiate the processes, Eduwatch seeks the services of a consultant to develop an instrument to guide the monitoring of government's COVID-19 resilience strategy in the education sector. The instrument will be used by school level monitors to collect data on key indicators of assessing effectiveness of government's re-entry campaign, virtual learning systems, and e-learning capacity building interventions for teachers.

2.0 Objective of the Assignment

The **objective of this assignment** is to develop an instrument to monitor government's COVID-19 response plan in the education sector.

3.0 Scope of Work

The Consultant is expected to develop a quantitative and qualitative monitoring tool for use by school level monitors to assess the effectiveness of the re-entry campaign, virtual learning systems, and e-learning capacity building interventions for teachers.

4.0 Assignment Timeframe

The assignment shall span four days, commencing 21th to 24rd September 2021. An all-inclusive lump sum consultancy fee of GHC 4,000 shall be paid to the Consultant after submission of final instrument, subject to statutory tax requirements.

5.0 Required Qualifications and Experience

The Consultant must have the following qualifications and experience:

- A University degree in education, development studies or other equivalent qualification.

- Knowledge and understanding of education delivery in a pandemic era
- Experience in Education Spending Efficiency and Accountability

6.0 Bidding Process

Eduwatch invites interested consultants to submit a letter indicating Expression of Interest and their CVs to info@africaeducationwatch.org **no later than 19th September, 2021**
